

Move Out Packet and Cleaning List

Dear Tenants,

It has been a pleasure having you, and we are sorry to see you go! The next step is preparation! Here is a checklist to help you receive the most out of your security deposit. Please ensure the items listed below have been completed.

- 30 day written notice; complete this through your tenant portal [Resident Portal - Login](#)
- Provide your forwarding address
- Complete the cleaning items listed below

Upon completion of the "Move Out Packet" please **RETURN KEYS TO** Elite Rentals Office by 12:00 pm on the day stated on your 30 day notice. Please note that if keys are not returned to us (this includes leaving keys at the property) on or before your move out date you will be charged rent for the additional days and a non-returned key fee. All keys, including mail keys, must be returned to the office or dropbox labeled with the unit address. To assist us in making refunds to you promptly, we ask that you review the security deposit section of the "Residential Lease Agreement" you signed when you moved in. This will clarify the refund procedure and explain any charges you may have incurred. For more information pertaining to cleaning your unit, please read the remainder of this document.

Frequently Asked Questions:

Where should I leave garage door openers?

Leave garage door openers on the kitchen counter, DO NOT bring them to the office. Missing openers may result in a charge.

When will I receive my security deposit refund or bill?

Your refund or bill will be mailed to your forwarding address within 30 days of returning your keys. If no forwarding address is provided, it will be mailed to your rental address, relying on the postal forwarding services. For Early Termination this may vary; please reach out to our office for confirmation.

What is the purpose of the "Move Out Checklist"?

This checklist helps tenants repair or replace items to prevent security deposit deductions.

What should I do with utilities in my name?

For early termination, keep utilities in your name until the unit is rented. Otherwise, transfer them to Elite Rentals starting the day after your move-out date.

How much should I clean? What if the apartment was dirty when I moved in?

To receive your full security deposit refund, complete all tasks on the "Cleaning Checklist."

THANK YOU AND BEST OF LUCK WITH YOUR MOVE!
